Global Technical Communications, LLC Secures Second-Year Grant from Nevada Governor's Council on Developmental Disabilities

Sioux Falls, April 8, 2024 - Global Technical Communications, LLC proudly announces the approval of a second-year grant from the Nevada Governor's Council on Developmental Disabilities (NGCDD). This grant reaffirms our unwavering commitment to enhancing accessibility and inclusivity through ASL Anywhere™, our innovative mobile sign language interpreting service.

ASL Anywhere™ is a cutting-edge mobile app offering instant access to highly qualified American Sign Language (ASL) interpreters, empowering seamless communication for the Deaf and hard-of-hearing individuals. It connects users to expert ASL interpreters via high-quality video chat, breaking down geographical barriers and fostering effective communication.

Our innovation extends to businesses and organizations serving the Deaf and hard-of-hearing, enhancing inclusivity and service provision.

Dr. Benjamin Soukup, CEO of Global Technical Communications, LLC, expressed, "Securing a second-year grant from the Nevada Governor's Council on Developmental Disabilities marks a significant milestone. It validates the impact and value of ASL Anywhere™ and underscores NGCDD's commitment to advancing accessibility for the Deaf and hard-of-hearing community."

With this grant, we will further enhance ASL Anywhere™ to remain an indispensable resource for the Deaf and hard-of-hearing community in Nevada.
